

**AMENDMENTS TO THE CLAIMS**

**This listing of claims will replace all prior versions and listings of claims in the application:**

**LISTING OF CLAIMS:**

1. (Currently Amended) An electrical energy generator device, comprising an array of micro-fans (3) each associated to a dynamo-electric generator (5) by means of a respective connecting shaft (4), ~~characterised~~ characterized in that for at least some of the micro-fans (3), the connecting shaft (4) is provided with a lug element (6) which mechanically co-operates at each revolution with a piezoelectric element, for the production of additional electrical energy.

2. (Currently Amended) A generator device as claimed in claim 1, ~~characterised~~ characterized in that the piezoelectric element is a piezoelectric polymer or a piezoelectric ceramic.

3. (Canceled)
